

SANUVOX LIMITED WARRANTY

Sanuvox warrants each of its models to be free from defects in material and workmanship subject to the conditions and limitations hereinafter described. The warranty period for each product is listed in the table below.

If a product proves to be defective in material or workmanship during the warranty period, Sanuvox Technologies Inc. will, at its sole option, repair or replace the product with a similar product. The replacement unit or part including the Ultraviolet Lamp will be covered by the balance of the time remaining on the customer's original limited warranty.

Warranty claims are to be made to: (1) The installing Sanuvox Dealer, or (2) Sanuvox directly.

If the warranty claim is made to the installing Sanuvox Dealer, the Sanuvox Dealer will obtain a replacement part through his Sanuvox Distributor and install the replacement part. If the warranty claim is made to Sanuvox directly, the customer shall contact Sanuvox at 1-888-726-8869 to obtain the address of a Sanuvox Service Center where the defective unit is to be shipped (at customer's expense) along with a copy of the original invoice. Sanuvox will repair and return the unit to the customer at Sanuvox's expense.

THIS WARRANTY DOES NOT INCLUDE ANY ADDITIONAL LABOR ALLOWANCE OR OTHER COSTS incurred for diagnosis, repairing, removing, installing, shipping, servicing, or handling of either defective parts or replacement parts. The warranty period shall extend the greater of a period of 6 (six) months following a repair made under warranty or for the remaining period of time of the initial warranty period.
